

# Find a doctor online

We believe that finding a doctor online is one of the top reasons many of you visit our website. That's why we keep working on our Find a Doctor tool to make it better. Here's how you can get information about doctors in your area.

## For members

1. Log in to [anthem.com](http://anthem.com) and select the coverage type you wish to view. Click on Continue to view your homepage.
2. Under Useful Tools on the right, click on Find a Doctor and choose what kind of doctor or health professional you want to find.
3. Enter your city and state or zip and click on Search.

If Anthem is your pharmacy benefit administrator, please always choose the National PPO/BlueCard PPO plan when searching. This will give you a longer list of providers, and pharmacy access is not limited by your medical plan.

**To search for doctors, hospitals, pharmacies and more from your mobile device, go to [anthem.com](http://anthem.com).**
