Welcome to Teladoc

Teladoc is an innovative new Healthcare program that gives you and your family on-demand, 24/7 access to the quality care you need, when you need it. Whether you're on vacation or it's 2 in the morning, the care you need is just a call or click away!

When's a good time to use Teladoc?

- If you'd like your lab results analyzed
- If you'd like a recommendation for a specialist
- If you have a health-related question
- When you're on vacation, on a business trip, or away from home
- If you need a short-term prescription refill
- If you'd like a medical issue explained to you or you need a second opinion
- If you're thinking of going to urgent care or the ER for a non-emergency issue

Teladoc™ is not health insurance and does not replace your primary care physician, but is a resource platform designed to improve wellness and lifestyle. If you have an urgent medical condition, please dial 911. All services HIPAA compliant.
